### ORDERING

- To place an order for a Toyota Pro Technician Tool Kit, dealers should email item number and quantity desired to [Toolkit@toyotatmh.com](mailto:Toolkit@toyotatmh.com).
- Dealers will be invoiced for the TPTT through the TMH GEARWRENCH STARLIFT program.

### REBATE

TMH will rebate Dealers for each Tool Kit used to hire a new technician if they meet the following criteria:

- Technician must be hired after the start date of the program 9/14/23.
- Tool Kit must be purchased before the technician hire date or within 60 days after the hire date.
- The newly hired technician must remain employed for 18 months and must pass all the learning material required for TMH Bronze Certification to earn a \$1,000 rebate. A \$500 rebate will be given if the technician remains employed for 18 months, but does not achieve Bronze certification.
- The dealer will submit a rebate form indicating the purchase date of the kit, the name of the technician, the hire date of the technician and the date all the required course work was completed. Email form to [Toolkit@toyotatmh.com](mailto:Toolkit@toyotatmh.com).
- Each Toolkit will be allowed a one-time transfer to a different technician in the event that the technician leaves the dealership before 18 months of service.
- Rebate eligibility expires after 90 days following the conclusion of the 18 month program period.
